

ME Family Services Resource Recovery Room

ME Family Services operates a Resource Recovery Room, in partnership with Auckland Airport. We receive left luggage and lost property from the airport every week, which we redistribute to our community through a trading system. We also accept clean, second hand household goods and clothing in good condition that you want to pass on. If you're in need of clothing, suitcases or other household goods, or if you know people in our community who are, please contact us to make an appointment to visit our Resource Recovery Room. Goods can be exchanged for money, time, skills, networks or anything else of value to our community.
