Driver licencing Programme 2018

(In partnership with Behind the Wheel Mangere)

Learner Theory

It's an **awesome achievement** to pass your learner test! You can **legally practice driving** with a fully licensed driver (who has held a valid full licence for 2 or more years). You can use it as an **official form of ID** and **be in the know on the road rules**

- All ages from 16+yrs
- Attend 4 classes over 2 weeks
- Course held at ME Family Services once a term

Cost: \$15 (+ test fee)

Restricted & Full Licence

Sick of asking for rides? Gain some real independence

Drive yourself to work, sports, and hang outs - anywhere! *(Between 5am - 10pm)* **Create opportunities** for the future by gaining life and work skills. Be a more **confident and safe driver** on the road. **Help out the family** by being a **great role model** to family and friends

Feel the freedom that comes with getting your full license

You can **drive family and mates around anytime of the day or night**. Gaining your full licence is a **big milestone**, you can feel really proud to now have **heaps of freedom and independence**. **You can avoid fines by being fully legal** to take passengers and drive after 10pm. Finally and more importantly...**No need to worry** about Police checkpoints or fines

- Free Workshop (includes 1x free Assessment Drive after your first paid drive)
- \$45 per individual driving lesson
